

NETBALL KITS

We've packaged the most popular combinations into ready to install kits. All components can be purchased separately to create a package to meet your specific requirements.

NB-RE KIT Removable Ring Kit

Kit includes: NB-50 50mm round pole and NB-GS ground sleeve plus lid, NB-RE removable ring and NB-NET white 12 loop net.

- Ring is quickly fitted on the pole, simply fits over pole fasteners
- Ideal where vandalism is an issue
- Heavy-duty 50mm pole is galvanised and powder coated white
- Pole has an anti-turn square base which fits our NB-GS ground sleeve - the pole is easily removed for storage
- OPTIONAL: NB-HLT extension handle makes hoop removal quicker and easier

NB-AD KIT Adjustable Ring Kit

Kit includes: NB-50 round pole and NB-GS ground sleeve plus lid, NB-AD adjustable ring and NB-NET white 12 loop net.

- Easy height adjustment using stainless steel allen screws
- Heavy-duty 50mm pole is galvanised and powder coated white
- Pole has square base which fits the non-rust polyethylene ground sleeve - the pole is easily removed for storage

NB-INT KIT International Kit

Kit includes: NB-INT round pole and NB-GS ground sleeve plus lid, NB-FX fixed ring and NB-NET white 12 loop net.

- Complies with netball competition standards
- Extra heavy-duty 65mm aluminium pole is powder coated white
- Pole has anti-turn locking plate which fits the NB GS non-rust polyethylene ground sleeve

NB-LPA KIT Locking Pole Kit *(Anti Theft Kit)*

Kit includes: Ground Sleeve, Aluminium 63mm diameter pole, NB AD adjustable hoop and NB NET white 12 loop net, and security tool.

- Pole locks into the ground sleeve and stays in place unless you have security tool.
- Adjustable height ground anchor to assist installer meeting surface height.

POST & HOOP COMBINATIONS

HotShot offers a complete range of Netball post and ring systems from fixed International standard to mobile and adjustable systems.

We can tailor a post and ring combination using fixed, adjustable or removable rings.

HEAVY-DUTY STEEL MOUNTING BRACKETS & 16MM SOLID STEEL RINGS

NB RE
Removable Ring

NB AD
Adjustable Ring

NB FX
International Fixed Ring

SENIOR HEIGHT

NB-RE-KIT Removable Ring Kit. This innovative system has several important advantages:

- One ring can do two jobs - purchase the optional second set of pole fasteners and use the same ring for senior and kiwi or netta netball.
- Simply move the ring as required. Ideal where security is an issue as you can simply remove the ring at the end of the day.

JUNIOR HEIGHT

ALL RINGS HAVE PHOSPHATE ETCHED AND POWDER COATED FINISH & FIXED NET CLIPS
